

## Memorial price list

This price list should be used in conjunction with our brochure or website. Memorials are priced as pictured to include pots, engravings and fixing, but not flowers which are shown for illustrative purposes.

Most memorial designs are available in other stones; please ask for prices if not supplied. Some options aren't available simply because, for example, intricate carving is possible on soft stone, but not on harder granites.

An application will usually be required to erect a memorial. When placing a memorial into a Churchyard, a specific application including design drawings, material specifications and the inscription to the Incumbent, whose permission should not be taken for granted. Our memorial prices do not include such Cemetery or Churchyard fees. Welham Jones will handle all such applications and necessary drawings for your prior approval however, no orders will be firmly accepted until such permissions have been received.

Inscriptions, which cannot be rude, blasphemous or libellous, are charged at the following prices:

Incised & enamelled	£2.00 per character.
Incised & gilded	£2.25 per character.
Hand cut incised & leaded	£3.50 per character.
Hand cut & gilded	£4.10 per character.

### Terms and conditions of business

Welham Jones is an associate member of the National Association of Memorial Masons (NAMM) and agrees, at all times, to abide by their code of practice. We will not act until we have your signature authorising us to supply the requested memorial, whereupon a contract exists between the parties. Memorials are subject to an initial deposit of 50% of the total cost, the balance on completion. All memorials are covered by a 10 year guarantee against faulty materials and workmanship. Where appropriate memorials are erected with ground anchors and, where applicable, a reverse with the number of the cemetery plot and our name. We reserve the right to charge interest on balances outstanding 14 days after final invoice at a rate of 3% per month (APR42.57%).
